

Polished Brass Oval Mortice/Rim Knob Set=

Product information

Knob Size: 58mm x 40mm

Projection: 65mm

Rose Size: 58mm

Spindle Size: 8mm (Threaded)

Additional information

Our knobs come unsprung. They are solid cast, not hollow and have loose roses to enable them to be used with a rim lock (discard one rose) or use with a mortice lock.

Comes with a threaded spindle to take adjustment for various door thickness which lock firmly with a grub screw. The grub screw should locate on the 'V' in the shaft and not on the threaded part.

Each set comes complete with fixing screws.

For best results the centre of the knob should be a minimum of 3" from the edge of the door. Heavy Duty latches 4" or 5" are recommended for maximum efficiency.
