

Polished Nickel Prestbury Mortice/Rim Knob Set - 63mm=

Product information

Knob Size: Ø63mm

Projection: 71mm

Rose Size: Ø63mm

Spindle Size: 8mm threaded

Additional information

A solid pair of handcrafted door knobs, popular for their weight and simplicity. Our polished Nickel finish achieves a Contemporary take on a Traditional Handle, simple but a real classic.

These knobs will tarnish in time as part of the ageing process but can be polished time and time again if you want to achieve a more contemporary finish.

Our knobs come unsprung, are hollow and have loose roses to enable them to be used with a rim lock (discard one rose) or use with a mortice lock - For more information see our guide to locks & latches here.

They have 8mm threaded spindle to take adjustment for various door thickness and lock firmly with a grub screw. The grub screw should locate on the 'V' in the shaft and not on the threaded part.

For best results the center of the knob should be a minimum of 3" from the edge of the door. Heavy Duty latches of 4" or 5" are recommended for maximum efficiency.

Supplied with necessary fixing screws.

Finished in Polished Nickel
