## Additional information

Our elegant collection of centre door knobs suit all applications from a country cottage, town house or high street shop.

Our art deco range is forged from solid brass. The different elevations highlight all of the hand finishing that is carried out in our factory. A perfect design choice for external doors with matching products available.

The unlacquered brass achieves a timeless elegance, highly polished on all surface areas but aged to highlight the detail and design. This will tarnish in time as part of the ageing process but can be polished time and time again if a natural sheen is desired.

Designed to match our art deco door knocker to create a uniform feeling on your front door.

Our centre door knobs also include a location pin on the rose to stop any unwanted movement during the life of your product.

Supplied with M8 x 110mm stainless steel threaded bolt for bolt-through fixing.
