Product information

Knob Size: 80mm

Projection: 80mm

Rose Size: 95mm

Additional information

An imposing yet decorative centre door knob designed to match our existing range of Octagonal door furniture. This product makes a statement on any type of front door.

The centre door knob is fitted to the external face of the door by way of the provided bolt and as well as being aesthetically pleasing it is strong and sturdy enough to be used to assist in pulling the door closed.

The loose rose has two locating studs which help to engage the product with the surface to provide strength and a rigidity needed for such an item.

Suitable for internal or external use but maintenance instructions must be followed to preserve the finish of your product.
