Additional information

An imposing yet decorative center door knob designed to match our existing range of Prestbury door furniture. This product makes a statement on any type of front door.

Solid and handcrafted, popular for their weight and simplicity. The unlaquered brass achieves a timeless elegance, highly polished on all surface areas but aged to highlight the detail and design.

These knobs will tarnish in time as part of the ageing process but can be polished time and time again if you want to achieve a more contemporary finish.

The centre door knob is fitted to the external face of the door by way of the provided bolt and as well as being aesthetically pleasing it is strong and sturdy enough to be used to assist in pulling the door closed.

Supplied with necessary fixing bolt.

Finished in Aged Brass
