Additional information

Our extensive selection of door knockers suit a variety of doors from timber, composite, upvc and aluminium offering both traditional and contemporary designs.

Our pewter finish is elegant and beautifully highlights the texture of the steel. The unique and complex process runs deep into the metal resulting in an unmatched contrast of texture and colour.

This regency door knocker shows a true masterpiece of forging. Drawn from one piece of mild steel bar and bent to form the ring, this highlights every hammer blow by our highly skilled blacksmiths.

Designed to match our regency centre door knob to create a uniform feeling on your front door.

Surface fixed to the front of your door.

Supplied with matching wood screws.
