

# Black Traditional Letterbox =

Black Traditional Letterbox 91526

## Product information

Overall Size: 315mm x 92mm

Opening Size: 249mm x 41mm

Fixing Centres: 283mm

## Additional information

For composite and upvc doors we would recommend using our door letterbox which is supplied as a full kit and contains a tunnel and brushes to reduce drafts and insulate the door. The sleeve inside the letterbox also protects the door from moisture and masks the aperture cutting.

Our black finish is baked in a high-temperature oven giving it a durable corrosion resistant finish which is salt tested to 480 hours.

Designed to match our other black front door furniture to create a feature entrance door.

Maximum door thickness: 72mm. Minimum door thickness: 42mm.

Supplied with matching bolt through fixings.
