

Corrapol 50mm Fixings - Clear, Brown, Green, Black and Red

Corrapol® fixings provide easy to use fixings manufactured from a resin to compliment the Corrapol® sheets in all colours. The Corrapol® fixings are made from a flexible resin allowing them to cope with sealing well even on the curved contours or the Corrapol® sheet

- •Clear light transmitting sheet
- Virtually Unbreakable
- Easy to trim or cut to size
- •Protected from UV light and discolouration
- Lightweight
- •Suitable for use as cladding or glazing
