Package deal including the Flexcut 4 Piece Carving Knife KN100 Set and the Flexcut Knife Strop.

4 of the most popular Flexcut Carving Knives brought together in one set, complete in a top quality tool roll. The four designs are the Cutting Knife, Detail Knife, Pelican and Mini Pelican.

Flexcut Knife Strop: Although Flexcut call this a knife strop, it can also be used for other edge tools just as effectively. If a blade has already been honed, it will benefit from stropping to polish the steel further and give an extra degree of sharpness. Regular stropping of a blade means less honing which saves time and effort. Supplied with a block of Flexcut Gold Polishing Compound for a razor edge. Size approx 200 x 50mm.
