

# Gatemate Adjustable Hooks & Bands - Premium Black

GATEMATE Adjustable Hooks & Bands in a premium black finish offer a better resistance to corrosion over the standard Epoxy Black as it is a hot dipped galvanised metal finished in a black powder coat. These heavy duty, robust hinges provide full adjustability; allowing the installer to align gates both during fitting and afterwards to compensate for gate drop over time.

These Hooks & Bands are priced in pairs (2 x adjustable bands, 2 x adjustable gate eyes, and 2 x hooks on plates) and include fixings.
