

Gatemate Twisted Ring Gate Latch

GATEMATE Twisted Ring Latch for use on garden gates. Includes deep catch to ensure the gate stays closed and a heavy duty latching bar to prevent bending when the gate slams shut. Ring is a twisted design to give a more traditional look.

Size: 6" / 150mm

These Ring Latches are priced each and include fixings.

Price

Galvanised (Product reference 8043-18608)	£12.26
