

Gatamate Field Gate Self-Closing/Rising 90 Deg Hinge Set

GATEMATE Self-Closing/Rising Hinge Sets is specifically designed for situations where the ground rises slightly so your gate will open properly without dragging on the ground.

This galvanised kit is suitable for 3" gates and must be hung on rear of posts.

Includes: 24" top band with 1" straight eye on corder, adjustable gate eye and heel clips, hook on 4" square plate and 3/4" diameter adjustable hook on 4" square plate.
