Additional information

The newbury set is part of the period range of sprung lever handles. The simple and slender design fits well into many different property types.

Our weighty newbury lever handle range is forged from solid brass which emphasises the high quality materials and manufacturing techniques used. A perfect design choice to use throughout your property with many other matching products available.

A highly polished finish with a nickel plating applied to solid brass which is salt tested to 480 hours. Similar to a polished chrome finish but with much warmer tones.

This handle has a strong spring incorporated into the stylish boss design to give both functionality & elegance.

Lever handle for internal doors where privacy is required.

Set includes 2 lever bathroom handles and coin and release thumbturn.

Can be used with a bathroom mortice lock.

Supplied with matching SS wood screws.
