Additional information

Our "From the Anvil" cremone door bolt offers a decorative face fixed alternative to a multipoint lock.

Our pewter finish is elegant and beautifully highlights the texture of the steel. The unique and complex process runs deep into the metal resulting in an unmatched contrast of texture and colour.

Face fixed internally as a decorative alternative to a concealed espagnolette system.

Can be paired with the external knob if use from both sides of the door is required.

Locks by way of grub screw in the body.

Sold with matching wood screws.
