## Additional information

A classic Regency style handle designed to fit casement windows and match the Reeded stays and door handles in the range.

Made from solid brass this attractive fastener has a stylish reeded end and is also reversible so can be used on either side of your window.

Our polished Nickel finish achieves a contemporary take on a traditional handle, simple but a real classic. It will tarnish in time as part of the ageing process but can be polished time and time again if you want to achieve a more perfect finish.

The fastener has a locking mechanism by way of grub screw.

Supplied with necessary fixing screws.

Finished in Polished Nickel
