Additional information

The hinton set is part of the period range of sprung lever handles. A classic Georgian lever that will suit both traditional and contemporary settings.

Our weighty hinton lever handle range is forged from solid brass. The decorative part of the handle highlights all of the hand finishing that is carried out in our factory. A perfect design choice to use throughout your property with many other matching products available.

The unlacquered brass achieves a timeless elegance, highly polished on all surface areas but aged to highlight the detail and design. This will tarnish in time as part of the ageing process but can be polished time and time again if a natural sheen is desired.

This handle has a strong spring incorporated into the stylish boss design to give both functionality & elegance.

Lever handle for internal and external doors where locking is either required or not required.

Set includes 2 lever on rose handles.

Can be used with a multitude of standard locks, euro locks, latches, escutcheons & thumbturns for various uses within the home.

Supplied with matching SS bolt through fixings & SS wood screws.
