Additional information

The hinton set is part of the period range of sprung lever handles. A classic Georgian lever that will suit both traditional and contemporary settings.

Our weighty hinton lever handle range is forged from solid brass. the decorative part of the handle highlights all of the hand finishing that is carried out in our factory. A perfect design choice to use throughout your property with many other matching products available.

A highly polished finish with a nickel plating applied to solid brass which is salt tested to 480 hours. Similar to a polished chrome finish but with much warmer tones.

This handle has a strong double spring incorporated into the stylish boss design to give both functionality & elegance.

Lever handle for external doors where multi-point locking is required.

Set includes an internal and external lever espag lock handle.

Can be used with a multi-point lock or french door kit in conjunction with a euro cylinder.

Supplied with matching SS bolt through fixings.
