

Anvil 91485 - External Beeswax Avon Lever Espag Lock Set

The Avon set is part of the blacksmith's range of sprung lever handles that is individually forged in steel on an anvil and is a very striking, contemporary handle that looks great on any type of house, old or new.

This handle is unsprung but has a stylish boss design to give both functionality & elegance.

Lever handle for external doors where multi-point locking is required.

Set includes an internal and external lever espag lock handle. For use with a multi-point lock or french door kit in conjunction with a euro cylinder.

Supplied with matching bolt through fixings.

Finish: External Beeswax

Backplate Size: 241mm x 48mm x 5mm
